TURNING TP POINT

## Spring is in the air!

## I just love the expression of freedom that Bree has on her face.

I asked Bree's mom what Turning Point means to her and this was her response:

***"It's hard to put into words what Turning Point did for me. I was looking for a Planned Parenthood and I found you instead...***

***ALL WOMEN NEED A TURNING POINT!"***

# ***Interested in getting involved with Turning Point you can:***

***1. Collect baby clothing, cribs, car seats, and diapers for the store. New moms and dads can purchase items from the store with points generated from attending parenting classes, doctor appointments, etc.***

***2. Participate in the Fundraising & Community Outreach Committee. This group helps get silent auction items and brainstorms on new fundraising and marketing ideas.***

***3. Oversee a baby bottle fundraiser at your church or civic organization.***

***4. Become trained as a peer counselor to work with women in crisis.***

***5. Serve as a board member to help direct the business end of the center.***

***6. Shop and/or donate to King's Treasure. The proceeds benefit Turning Point.***
