Have mercy on me, O God, in your goodness wipe away my offense. And in your loving tenderness, wash me clean from my guilt. Since you are pleased with sincereness of heart; teach me Lord the secrets of your wisdom. Cleanse me with hyssop until I am clean, until I'm whiter than snow. Instill in my heart some joy; let the bones you have crushed live again.

Create a clean heart in me; always keep me at your side. Be my savior again, O Lord, fill me with your Holy Spirit, and I will teach transgressors the way. To you all sinners will come. Save me from death, my God, and my tongue shall always give you praise. Open my lips and my mouth will speak of your perfect righteousness. You are not pleased with sacrifice, but a broken heart, you will not scorn. This contrite spirit is all I have, and Lord, I give it to you. For I acknowledge my sin; it is constantly on my mind. Against none other than you have I sinned, and your sentence is perfect and just.

This Lenten Season may our hearts be truly repentant and ask for God's mercy, not only for our own sins, but for societies sins. It seems that the world is choosing the path of un-righteousness and self gratification rather than the path to holiness. We, as a society have driven God out of our midst, so, how can we expect God to bless us. We as Catholics have to repent and make our daily prayer be, for God's Will to be done on earth, as it is in heaven. We await for your glorious coming, Oh Lord. Praise you, Jesus Christ, our Lord and Savior.

Grand Knights Corner:

We are now heading into a new chapter in the Corona19 Epidemic. Our Father God has spared a lot of us brothers to continue to serve him here on earth. Council #804 is here to serve the citizens as we stand eager to help our churches-our community and our lady Mary. The church is building itself slowly and with a lot more care as we do our duty as knights to train as required by the Safe Environment and Armitus programs. Thank you all for signing up and getting that training in, it is for the good of the church and our fraternity of catholic brothers. Let us continue our mission to do the will of our lord and hold each other up and do all we can in the fellowship of Knights. I want to commend you all for sending in your dues—Our Financial Secretary reports that we have broken previous records of submittals! We have a great team, let us not waiver but believe that we will soon have fellowship and back to our Family Nights! Stay Safe and get Vaccinated today..

Vivat Jesus, Ben Maynes
