“He is the Way”
Worthy LECTURER

Juan Ortega
Scripture Numbers 21:6-9

2 Chronicles 7:14 â?oIf my people who are called by my name humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land.â?□

As we enter the Lenten season, we are called to sacrifice and repent. We are to fast and pray, so that we can be worthy of the promises of our Lord, Jesus Christ. When we turn away from the things that are not of God, we become stronger in our faith. This Lenten season can be especially fruitful if we not only repent but seek to forgive others who have wronged us. As in the days of the Old Testament, God calls us to humble ourselves, seek him, and turn away from our sins. In doing so, we can, in our own way contribute, not only in our own healing, but in the healing of our country and world.

Prayer: Lord Jesus Christ, Son of the Living God, through the blessing of the Holy Spirit and the Intersession of our Blessed Mother Mary, may we truly repent this year and try to live a holy life worthy of your promises. Amen.
