CHILI ROAST

The 2020 Chile Roast was a great success, lots of hard work.

- We roasted over 13,000 pounds of chile!

For 2021:

- We are looking for large chile roasters the Council would own.
- We are considering purchasing chile from a commercial vendor and having it delivered and maintained in a refer if practical.
- We are considering offering Olathe corn and Rocky Ford Mellons.
- We are studying our process to improve flow and delivery.
- Come join this project as we get ready for the 2nd annual KOC 3448 Chile Roast!
